Agreement with UNIPARK

[illegible]

The use of this car parking lot is subject for a charge. You must read and comply with these rules (hereinafter - Rules) before using the paid car parking lot. These Rules are made available for your information in the paid parking area marked with distinctive road markings and/or information signs (hereinafter - Parking lot or sign) shall be deemed to be a public offer to conclude a transaction of services for consideration by means of a consensual act (Article 171 of the Civil Code of the Republic of Lithuania).

3. By entering and using the Parking lot, you express your will to enter into a parking service agreement with UAB "Stova" (company code 3022989725, registered office address: Konstitucijos av. 29, LT-08105 Vilnius), the provider of parking and control services in the Parking lot; i.e. you undertake to comply with the procedure for use of the Parking lot, parking in the Parking lot, and payment for these services as described in the Rules, and to pay the price for parking services set out in the Rules.

4. Car traffic and parking on the Parking lot shall be organised in accordance with the Parking lot markings and the road traffic rules. When parking cars in the Parking lot, you must comply with these Rules and not violate them. Parking in the car Parking lot in contravention of the signs or markings in the relevant parking spaces and the associated traffic regulations is strictly prohibited, including, but not limited to, parking in a parking space reserved for persons with disabilities without a distinctive "Person with disabilities" sign or without a disabled person's parking permit, parking internal combustion engine vehicles in spaces designated for parking or charging electric vehicles and/or leaving electric vehicles parked outside of their charging time and/or after their charging time, parking cars in the vicinity of pedestrian crossings and obstructing traffic on the car Parking lot.

5. The owner/operator of the car is liable for any damage caused by the car to tangible property on the Parking lot and must pay compensation for the damage. It is forbidden to leave a car (or any other type of vehicle) advertising goods or services in any form or manner on the Parking lot without the consent of UAB "Stova".

6. UAB "Stova" provides car parking and control services at the car Parking lot. It is not materially responsible for the safety of the cars parked at the Parking lot or for the safety of the persons and/or property therein. UAB "Stova" does not provide security services. Car owners and/or managers (drivers) are responsible for the safety of the car parked in the Parking lot and any property left in it.

8. Payment for car parking services is possible:

- with the UNIPARK mobile app;
- SMS messages;
- In accordance with the written parking agreement between you and UAB "Stova".

9. In the event that the Rules and the information signs in the Parking lot state that free parking is available in the Parking lot, the free parking time shall be calculated from the moment of entry to the Parking lot. The actual paid parking time starts at the end of the free parking period in the Parking lot. The parking fee is based on the actual time parked in the Parking lot, rounded up to the higher unit of time calculation, indicated in the rates;

10. A parking ticket issued by the operator of the car Parking lot is valid on the outside of the car visible to the owner/operator (operator), or

11. The Parking service on the Parking lot should be activated immediately after parking via the APP and SMS MESSAGE. The car parking service is stopped and paid for when you get in your car, before you leave the Parking lot.

12. In the event of non-payment of the parking fee in accordance with the procedure set out in the Rules and/or in the event of any other breaches of the use of the Parking lot and parking of the car as set out in the Rules, a legal fact shall be deemed to have occurred, which shall give rise to an obligation on the part of the owner/operator of the car, to pay the car parking service fee of the increased rate equal to 20 (twenty) Euro, unless he proves that another person parked and used the Parking lot.

13. UAB "Stova" carries out continuous monitoring of compliance with the Rules:

- authorised persons of UAB "Stova" take photographs of the presence of the car in the Parking lot, check compliance with the Rules and, based on the information obtained, UAB "Stova" issues a payment notice (hereinafter - Notice), stating the reason for the Notice, the amount of the fees due, the details of the location and the deadline for payment. The Notice shall be left at the car on the outside of the car visible to the owner/operator (operator), or
- the CCTV cameras installed in the Parking lot shall record the information about the entry/exit of the car to/from the Parking lot and the parking of the car in the Parking lot, including the information about the violation of the Rules by the car. This information (including your personal data) will be passed on to the data processors engaged by UAB "Stova" for the purposes of managing compliance with the Rules (hereafter) (including identification). Please note that for the purposes of identification of the car, the following information is collected: name and surname, personal identification number and address of the car owner, the second date of birth of the car owner, the first date of birth of the car owner, the personal identification number and address) are collected from the Register of Road Vehicles of the Republic of Lithuania or from the other state registers administered by the State Enterprise "Regitra", in addition, such data shall also be used for dealer management purposes. A Notice containing information on the obligation to pay the car parking service fee, including information on the infringement of the Rules (if applicable) and/or existing debt, the amount of the payments (fees) due, the payment details and the deadline for payment will be sent to the car owner/operator (operator) within 14 (fourteen) working days from the date of conclusion of the transaction.

14. The owner/operator of the car, unless he proves that the car was parked and used by another person, undertakes to pay the parking service fee referred to in point 12 of the Rules no later than within the time limit specified in the Notice. If the car owner/operator fails to pay the parking service fee within the time limit specified in the Notice, the collection of the parking fee, together with all the information about the use of the car Parking lot and the parking of the car therein (including personal data), shall be transferred, without any separate notification, to the enforcement authorities (e.g., debt management and/or debt collection agencies) for the purpose of enforcing the claim against the car owner/operator (operator), including identification. The following information (name and surname, personal identification number and address) are collected from the Register of Road Vehicles of the Republic of Lithuania and (or) from the other state registers administered by the State Enterprise "Regitra". Any person who fails to pay the increased parking service fee on time will have to reimburse UAB "Stova" for all costs incurred in enforcing the collection of the fee.

15. The SURVEILLANCE CAMERA ("Stova") with the use of video surveillance camera(s) installed in the parking lot manages property security and parking service administration, as well processes personal data and information collected with the Rules (including identification), the second date of birth of the car owner and (or) the first date of birth of the car owner. Video recordings are kept for up to 2 (two) months. Service usage information (orders and related information) is kept for 3 years from the date of provision of the service and/or full payment for the service. UAB "Stova" acts as a Data controller when processing your personal data referred to in the Rules. For more information on our policy on data protection and/or your rights and the rights of the data subject, please refer to the Privacy policy available at www.unipark.lt and to Chapter 11 Provisions on the processing of personal data of the unipark parking lots and zones rules.
